Customer Problem Statement Template:

To define the core problems freelancers face while searching for jobs online, and use those insights to guide the development of iMovies - Movie Ticket Booking

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	a moviegoer.	find a movie and choose a suitable showtime and seats.	the booking process may be spread across several screens or systems.	movie discovery, showtime selection, and seat selection need to work together.	uncertain and frustrated when booking is unclear.
PS-2	a returning moviegoer.	retrieve my past booking details.	I may not remember the movie, date, showtime, or seats I selected.	booking details can be difficult to locate after a reservation.	worried that I cannot verify my reservation.

Problem Statement Summary

Moviegoers need a straightforward way to discover movies, select a show date and time, choose seats, and retrieve booking details. iMovies addresses this by bringing these steps into one web application.
